

**THE PRIMARY HEALTH LISTS TRIBUNAL
CASE NUMBER 15266**

WALSALL PCT

Applicant

and

Dr K RAY

Respondent

REASONS

Following a hearing that took place on 11 November 2009 Walsall PCT (the PCT) suspended Dr Ray from the PCT's medical performers list for a period of six months. This was to protect patients and allow the case against Dr Ray to be investigated. The suspension was due to end on 11 May 2010. Within the time limits set down in the National Health Service (Performers Lists) Regulations 2004 the PCT applied to extend the period of suspension to 11 August 2010. By letter dated 16 June 2010 the PCT then sought to extend the suspension until 11 November 2010. This was to allow a review of Dr Ray's case to take place in September 2010. Dr Ray's representative agrees to the extension until November. The panel therefore orders that Dr Ray is suspended from the performer's list of the PCT until 11 November 2010.
