APPLICATION BY DR ENTESAR HADAD (GMC No: 4285575) FOR REVOCATION OF NATIONAL DISQUALIFICATION

Considered on 11th May 2014

Application granted

DECISION

Application

1. This is an application by Dr Entesar Hadad for review of the order for her national disqualification for a period of two years made by the First-tier Tribunal on October 25th 2011, pursuant to section 49N(7) of the National Health Service Act 1977 (as amended) ("the NHS Act").
2. Pursuant to rule 14(1)(a) of The Tribunal procedure (First-tier Tribunal) (Health, Education and Social Care Chamber) Rules 2008 the Tribunal orders: That there will be no disclosure or publication of this decision or any information relating to the proceedings.

Decision

3. We are persuaded that for the reasons cited in the full decision the continuation of Dr Hadad's national disqualification on grounds of either unsuitability or inefficiency is no longer justified and that it should henceforth be revoked.

4. We do not consider it is necessary to impose any conditions on Dr Hadad's inclusion in the National Performers List. However, we note it is her stated intention to undertake the Deanery's Induction and Refresher scheme and we recommend and trust that she will do so.
